Area North Gold Coast, QLD — in-home, facility & community visits

**Integrative, physiotherapy-led whole-person care for older adults and complex-needs clients.**

GC Integrative is an AHPRA-registered, physiotherapist-led service. We triage every referral, screen within scope, and communicate back to you — typically within two business days — with outcome-measured updates that support your documentation. Please complete and return this form by the options at the foot of this page.

GC Integrative Physiotherapy & Wellness is a private physiotherapy service delivered by AHPRA-registered physiotherapists within their professional scope of practice. Eastern-informed movement is used as an evidence-informed adjunct within physiotherapy, never as a stand-alone treatment. No specific outcome is guaranteed. For funded services (CHSP, Support at Home, NDIS), invoices are issued to the registered provider, coordinator or scheme — participants and families do not pay GC Integrative directly. This form is general in nature and does not replace care from a GP, medical specialist or emergency services; in an emergency call 000.
